

Optical Smoke Detector

Type: ECO 1003

Technical Data:

Operating voltage:	8...30 V DC
Quiescent current:	45 μ A
Operating temperature range:	-30°C to 70°C
Air speed:	up to 16 m/s
rel. humidity range:	5% to 95% (not condensing)
Dimensions incl. Mounting Base:	Ø 102 x H 32.5 mm
Weight:	75 g
VdS-Number :	G201060

Wiring diagram / Scheme:

see. D-No.: 3.08226-1 and 3.08226.1-1

Purpose of use:

This detector can be used in combination with Mounting Base **ECO 1000 BREL 24L** as line-detector or with Mounting Base **ECO 1000 BREL 24L EH** , as end- or single detector.

Date

04/26/2016

Version

1/W.HR

Datasheet No

4.08226.11-1
